## Professional Summary

Computer Science graduate skilled in building scalable full-stack apps using React, Node.js, and MongoDB. Delivered job portals and booking systems with JWT auth, REST APIs, and responsive UI. Strong problem-solver with experience in Agile, CI/CD, and Git.

## Technical Skills

- **Frontend:** JavaScript, HTML5, CSS3, React, Tailwind, Material UI, Redux Toolkit
- **Backend:** Node.js, Express.js, REST APIs, WebSockets
- **Databases:** MongoDB, MySQL, PostgreSQL, Supabase
- **Tools:** Git, GitHub, VS Code, Postman, Firebase, Vercel, Razorpay API
- **Concepts:** DSA, OOP, OS, Networking, SSR, JWT

## Experience

**Web Developer** — Easrise Legal Papers India

Sep 2025 – Present

- Built React + Node.js websites with MongoDB and REST APIs.
- Ensured responsive UI and cross-browser compatibility.
- Enhanced client features via API integrations.

**Web Developer Intern** — PSS Technoservices

Aug 2025 – Sep 2025

- Developed admin dashboards with React.js and Node.js.
- Optimized performance using Redux Toolkit.
- Collaborated in Agile sprints to meet deadlines.

**Web Developer Intern** — Oasis Infobyte

Sep 2023 – Oct 2023

- Created responsive calculator and portfolio site (HTML, CSS, JS).

## Trainings

**Full Stack Development** — CRIS (Railway)

Aug 2024 – Sep 2024

- Mastered MERN stack, Git, deployment, and JWT-auth projects.

## Projects

**Job Portal (Joblio)** — React, Redux, Supabase, FastAPI

[Live](#) — [GitHub](#)

- Built recruiter-candidate portal with drag-and-drop UI.
- Added dashboard and applicant tracking system.

**Food Delivery App** — MERN, Socket.io

[Live](#) — [GitHub](#)

- Developed real-time delivery tracking and analytics dashboard.
- Supported 50+ daily orders with payment integration.

**Doctor Appointment (Prescripto)** — MERN, Razorpay

[Live](#) — [GitHub](#)

- Built role-based booking system with Razorpay payments.
- Implemented smart booking logic for Admin/Doctor/Patient.

## Certifications

- MERN Full Stack — OneroadMap, 2025
- MERN Developer — Simplilearn, 2025
- Intro to JavaScript — Great Learning, 2024

## Education

**B.Tech, Computer Science** — REC Sonbhadra

2021–2025

- Finalist, Smart India Hackathon 2023 (Top 6 of 30+ teams)
- TCS Ninja Qualified

**XII, SVM Etah** — 86.5%

2020–2021

**X, SVM Etah** — 91.6%

2018–2019
